

Turning Green into Gold!

Eco-mapping: Environmental Compliance & Beyond

*DIY Environment Management System to improve efficiency
and decrease environmental risk*

Breakfast Presentations

Dates: 16 September, 21 October and 18 November 2008.

Time: 7.30 – 9am

Venue: Broughton Room - National Wine Centre, North Tce Hackney* (venue may be subject to change)

Cost: \$10 per person payable at the door. (includes hot breakfast)

Do you need an Environmental Management System (EMS) or considering how to reduce water, energy and waste costs – but don't know where to start or who to talk to?

MTA members can call 8291 2000 and discuss concerns with MTA Environment Project Officer, Carly Roworth.

Another option is to attend an introductory session designed to assist you get started using a very simple set of hand-drawn maps called "Eco-maps".

The freeware system has been created and used by Heinz-Werner Engel in Europe and is creating significant interest here in SA. This is due to its simplicity, flexibility and staff involvement.

Outcomes:

Participants will gain practical experience in Ecomapping the Café and learn how to create their own Environment Management Plan as a basis for their own EMS. This can be used as proof of environmental due diligence.

**RSVP to Bryce no later than the Friday before the event
on (08) 8463 3707 or email
